

# **Service 1: Change Management/Operations Integration**

**Bhilwara Consulting Group** become instrumental for engineering organizational change ...

... supplying hands-on consulting, project and program management as well as training and coaching.

Our approaches to Change Management are the most simple, straight forward, and practical. We talk your language and the language of business, not our own language of new terms and jargon.

We use simple everyday metaphors for explaining Change Management that clients can master and use within one or two hours.

We transfer our knowledge to our clients ... cause they "get it" quickly!

**Change Is the Rule:**

**Practical Actions for Change On Target, On Time, and On Budget.**
